STUDENT VISA / RESIDENCE PERMIT

All students should have a valid passport for the period of their study in Jönköping. If the students need a visa/residence permit it depends on their nationality. More information is at Swedish migration board: www.migrationsverket.se/info/studera_en.html
hj.se/en/education/admissions-and-application/visa-requirements.html

HEALTH INSURANCE

Exchange students admitted at Jönköping University (JU) receive a supplementary health insurance, which covers the students' medical treatment costs in Sweden. It applies twenty-four hours a day in Sweden. More information can be found in the Insurance terms and conditions.

<http://hj.se/student/en/studies/rights-and-regulations/insurance-for-international-students-at-jonkoping-university.html>

Please note: Regarding medical care and dental care cover, this insurance does not apply for:
- Citizens of a Nordic country, EU/EEA country, Switzerland, or other country with which a convention regarding medical benefits exists. In these instances the insured person must have an EU card or similar from their home country.

Students will be expected to pay the same health care fees as Swedish residents.

Since the insurance only applies in Sweden, students are recommended to have another insurance that covers their trip to and from Sweden as well as occasional stay outside Sweden.
