

Dear Students,

To be accepted at our University all of you must register in our on-line system:

<http://international.uni.wroc.pl/en/user/foreign>

This obligatory procedure is very important so please follow all the instructions- step by step. Before you start the registration make sure that you have on your computer an electronic photo which will be necessary to issue the student ID card. This step is obligatory. Your application will not be accepted if you will not upload correct photo. By correct photo we mean passport photo.

During the registration all the students will have a possibility to apply for the accommodation and for the 2-week Preparatory Course of Polish Language. After you log in and fill out the form with the necessary data, your private account will be created. You will find on your account all the necessary documents (Erasmus Application Form and the Learning Agreement) that you will be able to download. You must print it, collect the required signatures, attach one additional photograph and send to us by post (not fax!) **before the 1st of July** (if you apply for the 1st semester) **or the 31st of October** (if you apply for the 2nd semester). Together with the Application Form and Learning Agreement we will also need a copy of your passport (or other identity document with photograph) and English knowledge confirmation - if you apply for the courses delivered in English (it should be FCE or any equivalent of this exam or other confirmation from your Erasmus Coordinator).
